Memorandum

Date: May 6, 2014

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Accepting a Deed in Donation of Approximately 0.14 Acres of Real Property within the Miami Rockridge Pinelands Project from Odile M. Ogonowski to the Miami-Dade County Environmentally Endangered Lands Program

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution accepting a deed in donation of approximately 0.14 acres of pine rockland (see Attachment A) to the Miami-Dade County Environmentally Endangered Lands (EEL) Program. The resolution also authorizes the expenditure of up to \$3,000 in transaction costs and thanks Odile M. Ogonowski for their generous donation and transfer of the deed (see Attachment B) of real property with a 2013 tax assessed value of \$7,000.

Scope

The EEL Program is countywide in nature. This acquisition is located in Commission District 9 (Commissioner Moss).

Fiscal Impact/Funding Source

The acceptance of this donation would have a fiscal impact of only the transaction costs of up to \$3,000. Land with a 2013 tax assessed value of \$7,000.00 is being acquired via donation. As of February 28, 2014, the balance of the EEL Trust Fund GF080 is \$46,268,058.90, of which \$22,616,972.36 is reserved for acquisition and \$23,651,086.36 is reserved for management.

Track Record / Monitor

Cynthia Guerra, the EEL Program Manager within the Department of Regulatory and Economic Resources, Division of Environmental Resources Management, will monitor this contract.

Background

The historic loss, fragmentation and degradation of native wetland and forest communities in Miami-Dade County are well recognized. In May of 1990, with the knowledge that remaining wetland and forest communities were endangered, the electorate of Miami-Dade County authorized the County to levy an ad valorem tax for two years to create the EEL Program and Trust Fund. The purpose of the EEL program is to acquire, preserve, enhance, restore, conserve and maintain environmentally-endangered lands for the benefit of present and future generations. The County, in partnership with the South Florida Water Management District, the State of Florida, and other funding partners, has acquired approximately 21,504 acres of land throughout Miami-Dade County since inception of the EEL Program.

The parcel proposed for donation is within the Miami Rockridge Pinelands Project, Navy Wells #23 EEL Preserve, which was placed on the EEL Priority A Acquisition List by Resolution No. R-518-93, as approved by the Board on May 18, 1993. The Navy Wells #23 EEL Preserve is characterized by tropical hardwood hammock and pine rocklands. Acquisition of this parcel will buffer and facilitate protection of the resources within the existing EEL Preserve.

Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners
